

# RISK ASSESSMENT

Woodhouse Park  
ACTIVITY CENTRE

## TOMAHAWK THROWING- INSTRUCTED

This risk assessment should be read in conjunction with Generic On Ground Risk Assessment.

Risk	Who is at Risk	Controls
Unauthorised access to range	All	The range is constructed in an appropriate area for the nature of the activity. The range is fenced to prevent access during activity use.
Tomahawk hitting participants	Participants	Participants briefed and supervised in correct throwing technique. Participants instructed not to throw too hard to prevent bounce backs. Waiting participants to remain in waiting area.
Damaged tomahawk causing injury	Participants	Participants briefed that if 2 throwing angels make contact it may result in a small chip to the throwing angel. Instructor to then file down the chip to prevent injury.

All Accidents / Near misses must be reported.
