Important Notice: Closure of Fernhill junction

From 16 November to 21 December 2026

Dear Resident,

Thank you for your continued patience whilst we work to deliver active travel and public transport improvements on the A38.

We would like to inform you of an upcoming closure at the junction of the A38 and Fernhill. The junction will be fully closed 24 hours a day for five weeks.

Fernhill junction closure

16 November to 21 December 2026

- Works: Full 24-hour closure of Fernhill junction with the A38
- Time of works: The works will take place mostly during the day. However, to keep our workforce and residents safe, the junction will remain completely closed 24 hours a day.
- Purpose: To complete the crossing facilities at the junction.
- Traffic and access:
 - Vehicles will not be able to travel between Fernhill and the A38. They will be diverted via a signed route shown on the map overleaf.
 - Pedestrian access through the junction will not be possible.
- Public transport: No impact on services.
- Noise: Moderate noise and vibration are expected during the works.
- Schedule: If unforeseen circumstances such as severe weather, utility issues, or supply delays occur, works may be affected. Updates will be posted on the project website (www.southglos.gov.uk/a38-bsw-active-travel) and our StreetCare Facebook page (www.facebook.com/sglosstreetcare).
